Munganya Pty Ltd is a 50:50 joint venture, registered with Supply Nation, between Sharon Kais, Jordan Kais and Walter Stream, a proud Palyku Traditional Landowner and Cultural Person.

We understand when people find a common bond, it creates a better future for everyone. By building strong relationships between the land, the Palyku community and the latest technology, we can create life-changing opportunities.

We are about bringing the Palyku people who know the land best, together with people who want to work the land, to create life changing opportunities for a self-sustained future.

Our vision is to make a lasting difference to First Nations People, renowned for our exemplary standards and willing to undertake challenges to improve the country and community of whom we represent.

FROM THE PEOPLE WHO KNOW THE LAND

We operate throughout the very heart of West Australia's Pilbara and offer the highest standard of service and machines.

CIVIL OPERATIONS

We would like the opportunity to carry out small civil works for drainage, access roads, shoulder grading, tailings dam.

MOBILE PLANT HIRE

We will purchase new or used equipment to meet your needs and we will tailor our fleet to build the relationship.

EARTHWORKS

We are able to work on small to medium bulk earthworks.

REHABILITATION

Being people of the land we like to rehabilitate the land to it's natural form, guaranteeing to maintain the heritage of the land.

LABOUR HIRE

We will provide experienced and reliable personnel to meet your operational needs, adapting our workforce solutions to support your business
